

# MARQUEE OCCUPANCY ESTIMATES

The following are recommended occupancy figures for various marquee sizes and for various seating arrangements. They are only estimates, of course. You could squeeze a few more in if you don't mind it being a bit cosy, or choose the spacious luxury of having a larger marquee than these guidelines suggest.

| Size      |           |      |     | Area<br>(m <sup>2</sup> ) | Area<br>(ft <sup>2</sup> ) | Standing<br>Guests | Seated<br>+ Buffet | Seated +<br>Buffet +<br>Dancefloor | Conference<br>Seating +<br>Stage |
|-----------|-----------|------|-----|---------------------------|----------------------------|--------------------|--------------------|------------------------------------|----------------------------------|
| metres    |           | feet |     |                           |                            |                    |                    |                                    |                                  |
| <b>12</b> | <b>30</b> | 40   | 100 | 360                       | 4000                       | 700                | 310                | 270                                | 540                              |
